10th Anniversary and the New Logo

Young IFSO Webpage at IFSO.com

<https://www.ifso.com/Young-IFSO>

The screenshot shows the IFSO website homepage. At the top left is the IFSO logo. To the right are social media icons for Facebook, Twitter, Instagram, and YouTube, along with 'Home' and 'Contact' buttons. A navigation bar contains links for 'ABOUT IFSO', 'OBESITY', 'BARIATRIC SURGERY', 'VIRTUAL ACADEMY', 'INTEGRATED HEALTH SECTION', 'ENDORSEMENT', 'REGISTRY', 'CONGRESS & MEETINGS', and 'ONLINE COURSE'. Below this are three main sections: 'BECOME A MEMBER' with a 'JOIN IFSO' button, 'FIND A MEMBER' with a search bar for 'MEMBER NAME' and a 'Select Country' dropdown, and 'MEMBERS AREA' with 'LOGIN' and 'Forgot Password?' links. The main content area features a breadcrumb trail 'Home » About IFSO » YOUNG IFSO' and a large 'YOUNG IFSO' logo. Below the logo is a survey invitation: 'Are you an IFSO member below 45? Join the big Young IFSO Community by taking this very quick survey. You will be involved in all future activities and events organized by Young IFSO!' with a 'TAKE THE SURVEY' button. On the right side, there are three sections: 'NEWS & EVENTS', 'PREVIOUS EVENTS' (with a link to 'The 24th World Congress of the International Federation for the Surgery of Obesity and Metabolic Disorders (IFSO)'), and 'ENDORSED MEETINGS' (with a link to 'Second Annual HITEC: Hopkins International Therapeutic Endoscopy Course'). A 'More...' link is present under each of these sections. A scroll-to-top button is at the bottom right.

This screenshot shows a navigation menu for the Young IFSO section. It features the IFSO logo at the top left and a navigation bar with links for 'ABOUT IFSO', 'OBESITY', 'BARIATRIC SURGERY', 'VIRTUAL ACADEMY', and 'INTEGRATED HEALTH SECTION'. The main menu is a blue sidebar with the following items: 'Join IFSO', 'Fellow of IFSO - FIFSO', 'IFSO Member Societies', 'Board of Trustees', 'IFSO Committees', 'IFSO Corporate Partners', 'Young IFSO' (highlighted), 'Mission & Vision', 'Executive Board', 'IFSO Chapters', 'IFSO Corporate Committee', and 'Life Members & Honorary Members'.

Young IFSO

The screenshot displays the LinkedIn profile for Young IFSO. At the top, the LinkedIn navigation bar is visible with icons for Home, My Network, Jobs, Messaging, Notifications, and Me. The profile header includes the IFSO logo and the text "International Federation for the Surgery of Obesity and Metabolic Disorders". Below this, the company name "Young IFSO (International Federation for the Surgery of Obesity and Metabolic Disorders)" is prominently displayed, followed by a description: "The hub of bariatric metabolic surgery & allied health care" and "Hospitals and Health Care · 240 followers · 2 employees". A notification indicates the profile is followed by "Dr. mult. Sjaak and 14 others you know". Action buttons for "Following", "Contact us", and "More" are present. A navigation menu at the bottom of the header includes "Home", "About", "Posts", "Jobs", and "People". The "About" section is expanded, showing the text: "The primary aim of the Young-IFSO is to facilitate the advancement of bariatric metabolic surgery worldwide." and a "Show all details" link.

News and updates from active members

Every year, as all members of the association, we hold meetings several times a year, our main goal is to inform them of the latest IFSO news and to discuss it together. Then we implement plans on how to form and advance these new scientific discussions in our country. So far, we have implemented them with Speed. Although we have been established for 10 years, we have already held 5 international conferences. Since 2017, we have had a national protocol. Since 2018, bariatric metabolic surgery has been taught at our university. CURRENTLY, IN 11 CLINIC IN OUR COUNTRY, THESE OPERATIONS ARE PERFORMED IN ACCORDANCE WITH IFSO STANDARDS.

Many other papers published by Young IFSO members

- We have published multiple papers on multiple topics such as *variation of histopathology on patients with obesity, sports injuries, education and hernias*
- *>100 publications last year from Young IFSO Members*
- Set up scientific library to share all publications by Young IFSO members

Future Plans

4 E's for Young IFSO

4 E's for Young IFSO

- **Expansion:** Promote Young IFSO to more young talents around the world, especially in countries/regions just started bariatric surgery.
- **Education:** Give more equal chances to our young members to learn, share and collaborate with each other.
- **Evidence:** We need more data and evidence to speak for bariatric surgery as evidence is lacking for many clinical questions. With data, then we can come up with consensus or guidelines which is needed for IFSO and its members and chapters. Encourage and conduct more multicenter clinical researches.
- **Equity:** Be more practical and beneficial to most of our members.

Planned Future Activities of Young IFSO (*selected*)

- Young IFSO offers online and recorded events. The topic will be announced four weeks before the webinar via social media.
- Young IFSO session at the **IFSO World Congress 2023** in Naples, Italy **August 30 - September 1, 2023**
- 1st **Joint IFSO-EC and Young IFSO Webinar** online **September 28, 2023**
- Young IFSO MENA Chapter Session in **Egyptian Society of Bariatric Surgeons Annual Meeting** **October 2023**
- Young IFSO session at the **IFSO-APC Congress 2023** in Shenzhen, China **Nov 30 - Dec 2, 2023**
- Young IFSO Lecture at **Club SOFFCO Jeune Congress** in Strasbourg iRCAD, France **February 1-2, 2024**
- Young IFSO **Training Course** (become a bariatric and metabolic surgeon) **Animal Lab** in Naples, Italy **February 22-23, 2024**
- Young IFSO session at the **IFSO-EC Congress 2024** in Vienna, Austria **May 2-4, 2024**. 5 Prizes for the best presentations are planned.
