

IFSO LAC SESSION

Video Based Education

Conversion Surgery: Nissen fundoplication to RYGB

Ernesto Pinto Lesmes M.D

IFSO LAC BMS Fellow

General Surgeon

Metabolic Support fellow, Duke University, NC

I have no potential conflict of interest to report

Conclusion

- Revisional bariatric surgery is always a challenge
- Standardized techniques and qualified working groups with multidisciplinary approach lead to great outcomes.
- Video based education and surgical video assesment are important tools in surgical education.
